WONDER VOYAGE

Inspired by the enchanting Marionette Theater of Casa Borromeo, 'Wonder Voyage' takes children on a vibrant journey through the 'Pathway to Imagination', where creativity knows no bounds. Drawing on the magic of puppetry, the collection blends playful patterns and bold colors to ignite curiosity and inspire endless exploration. The palette itself tells a story of wonder: The Deep Night Blues evoke the mystery of starlit skies where Rich Caramel tones bring a cozy warmth and sweetness of sunlight on the colder days. Olive Greens adding an earthy elegance, while the Reds and Maroons bring the vintage drama that is balanced by the Soft Creams. From its whimsical charm to its adventurous spirit, 'Wonder Voyage' captures the essence of youthful wonder. It's more than fashion—it's a celebration of every child's limitless potential to explore, dream, and shine.
